WELCOME

Welcome to the 2019-2020 school year at Dee-Mack Intermediate School. We anticipate an exciting year filled with new challenges, experiences and much success. It is our goal to help each child reach his or her maximum potential. Education is the most important function any society has. The quality of life for all of us depends on the quality of education we provide our children. Working together we can prepare each student for the challenges and responsibilities of life.

This Student Handbook also serves as a Code of Conduct, which will allow for an appropriate educational environment. This handbook is only a summary of Board of Education policies. **Each handbook may be amended during the year without notice, also interpretation of rules, policies, and disciplinary actions are subject to administration discretion.** We expect that each student shall:

- Respect the education process through the display of appropriate language, attitude and physical behavior.
- Respect and honor the rights of other students to learn in an environment free of harassment.
- Maintain satisfactory attendance.
- Report to classes prepared and on time.
- Keep hands, feet, and negative comments to one's self.

LETTER FROM THE PRINCIPAL

The tragedies that have occurred in schools throughout the nation have caused all school officials to evaluate the safety of their schools. We at Dee-Mack, like you, want our students to feel and be safe while attending school. After reviewing our current practices, and in an effort to be proactive, we have taken steps to help ensure the safety of our students while they are at school. **We would like to ask for your help in this effort by explaining to your student that comments, actions or drawings suggesting aggressive behavior on his/her part will be taken quite seriously.** We will employ all resources at our disposal to levy strict consequences against students who threaten other students or our staff with physical harm.

We would also ask that you explain to your student the need for other changes which will be occurring, including the locking of exterior doors during the school day, visitor badges, and continued enforcement of the dress code. These practices are not unique among other area schools and are for the safety and protection of the school community. We appreciate your help in communicating to your student the importance of these practices.

In closing, we want to assure you that our interest is in the protection and education of your student. Please feel free to contact the school if you have questions and/or concerns about the safety of our schools. Please be assured that the safety, education, and welfare of the people who attend school every day will continue to be our number one priority, but your assistance is required if this is to be a reality.

If you or your student ever hears of anything, which would jeopardize the safety and welfare of our school, please call the school or the **School Safety Tip Line, at 1-800-477-0024**, to report threats of violence or weapons at school.

Registration

Parents are required to enroll each student every year using online registration. A certified copy of a birth certificate is required for Kindergarten and new students enrolling in the district. To complete the registration process, parents must complete the online registration and pay all fees for each student online or at the corresponding building. Parents should provide the school with any pertinent medication information that may impact a student's school performance. When online registration begins in July, you will be notified via email and this needs to be completed Aug.1st. **Please contact the school office as information needs to be updated throughout the school year.** A Consent Checklist is included with the online registration; including permission to identify your child by name and/or the school they attend in any school sponsored material, publication, videotape or Dee-Mack website. This would include athletic team pictures, newspaper pictures of school activities, etc.

Fees

Textbooks are the property of Deer Creek-Mackinaw Community Unit School District #701 and are rented to students for use during the school year. Fees for the current school year have been established by the Board of Education **at \$125.00 for Intermediate School** students. Students are expected to maintain the books in a reasonable condition and will be charged replacement costs for any textbooks that are lost or damaged/abused.

Communication

Please communicate regularly with school personnel. Our school uses various methods of communication, such as Class Dojo, Email, Telephone calls, the <http://deemack-is.ss18.sharpschool.com/> website, Dee-Mack Facebook page, and our Twitter page, or the district's School Messenger phone service. Should you have a concern, please address it first to the staff member involved, then to the principal, Mr. Hawkins. If you are still not pleased with the situation, your next course of action is to bring it to the superintendent's attention, and lastly you may refer the matter to the Board of Education. The Board typically meets monthly on the third Thursday of each month at 7:30 p.m. Parents are always welcome to attend the monthly Board of Education meetings!

Please be sure your contact information is always up to date. School Messenger phone calls will be used to alert you to early dismissals, bus irregularities, and other district and school wide notifications.

Telephone Use For Students

Students may use the school's phone to call home **for emergency situations**, and only if permission is obtained from the school office.

Cell Phone Policy

If a student brings a cell phone to school it must be turned off and kept in their locker until dismissal time.

Discipline for cell phone misuse is on page 31

Visitors

All visitors entering the building for whatever reason must register with the school office upon entering the school building. To assure the security of all students and staff, doors will be secured when students are in the building. Entrance may be gained from the main doors. A badge, indicating that they are a visitor, shall be

supplied and must be worn during the time they are present in the building. **Students may not have friends or peers visit with them at school or attend class.**

Deliveries To School

It has become increasing popular for parents to send flowers, gifts, and balloons to their child at school. Local businesses provide this service for a variety of reasons. While we at Deer Creek–Mackinaw Intermediate School agree with the positive messages associated with these deliveries, the delivery to the actual classroom is disruptive to the educational process. We will hold these deliveries in the school office until the end of the day. When ordering, please take into consideration that if your child is a bus student, balloons are not allowed on a school bus.

FOOD SERVICE PROGRAM

Our food service program offers a rotating main entrée choice as well as daily choices of turkey sandwich, yogurt/string cheese, or chef salad. In addition to these pizza is offered daily. Each morning students will tell their teachers which they will order. The food service program is based on a system of “offer vs. serve”. The menu is subject to change without notice. Dee-Mack Intermediate School operates as a "closed campus" and, as such, students may not leave the school at lunch unless signed out by a parent. Prices for the food service program this year are as follows...

Full Price	Extra Milk
\$3.00	\$0.30

If your student has allergies to latex, food, medication, dairy or nuts the school must have a note from the doctor listing what allergies the student has **with an allergy action plan.**

A milk is included with each hot lunch purchased. Any student may buy milk at lunch. Juice will be available for students with allergies. Parents must request juice for their student by notifying the school office in writing. Meals may be purchased in advance by cash, check or Point of Sale (via internet). Meal fees may be waived, or reduced, for those students who are eligible and are approved by the building principal for a waiver of fees. It is the parents' responsibility to apply for a waiver by completing the proper form, which is available through the school office. No student will be denied food. It is the parent’s responsibility to check his child’s balance on a regular basis to ensure funds are available. Proper nutrition is essential for students to achieve their maximum potential to learn while at school. Each student is expected to eat a proper lunch unless the school office has been notified in writing that the student is under a restricted diet as specified by a physician.

After being dismissed by their teachers for lunch, students will be seated in the cafeteria by homeroom. Cafeteria supervisors will direct students to proceed through the service line. Students should move through the line in an orderly fashion. All food will be eaten in the cafeteria while sitting at the table. Students are responsible for cleaning their area by depositing all trash in the trash can. Students are encouraged to use the share table for unwanted food. Recycling is encouraged.

While eating lunch, students will be expected to use appropriate table manners. Quiet talking is encouraged. Students are to eat their own lunches; once at the table food sharing is not permitted, by order of

the Tazewell County Health Department, due to health concerns.

Cafeteria supervisors will dismiss students for a short recess after students have finished eating their lunches. During cold weather, one guideline used to determine if recess will be outside or inside is the 20 degree Fahrenheit threshold. Generally, when temperatures or windshield is at or above 20 degrees Fahrenheit, students will go outside for recess. After recess, students will quietly line up by homeroom in preparation for returning to class.

Lunch workers consist of a two-member team of 6th grade students, whose duties include serving food, washing and drying trays. These students are volunteers, who work during their study hall and lunch/recess period. Student workers are allowed a free lunch on the days that they work, and are recognized at the Student Recognition Program at the end of the year.

Transportation

Transportation is provided to and from school for eligible students. All route students will be transported to a central point, Dee-Mack Primary and Junior High for Mackinaw students and Dee-Mack Intermediate School for Deer Creek students. From that point, students will either enter the school building or board their assigned shuttle bus for transportation to their school. Shuttle buses will depart the PJHS at 7:50 and IS at approximately 7:45 a.m. and return in the afternoon at approximately 3:30 p.m. During student drop off and pick up times, the street just South of the school, Green Street, is one way, heading East. On a typical day of student attendance this would occur between 7:30 and 8:15 AM and 3:00 to 3:30 PM. Any time students are transported via school transportation they are expected to remain in their seats and remain quiet. Any behavior that will jeopardize the safe transportation of students will not be tolerated. Improper actions on a school bus should be reported to the principal. When students are written up for bus misconduct they will be sent home with a form explaining the infraction and consequence. Once parents have signed this form, students should return it to the office. Failure to abide by these expectations may result in the loss of riding privileges, suspension, or expulsion.

The District #701 Board has approved the following guidelines to assure safe bus riding:

Minor Offenses include being out of your seat while the bus is moving, making extra loud noises, eating or drinking on the bus, using a cell phone without permission, and littering.

1st offense is handled by the driver and reported to the principal.

2nd offense is referred to the principal, parent contact, and a detention.

3rd offense is referred to the principal, parent contact, and dismissal from the bus for one (1) day.

4th offense is referred to the principal, parent contact, and dismissal from the bus for three (3) days.

5th offense is referred to the principal, parent contact, and dismissal from the bus for ten (10) days.

Major Offenses include damage to the bus, throwing objects, fighting, and bad language (including swearing and disrespect to the driver). Damage to school property will require restitution for damages. Vulgar language directed at the bus driver will result in a 10 day suspension from the bus.

1st offense is referred to the principal, parent contact and a detention.

2nd offense is referred to the principal, parent contact and dismissal from the bus for one (1) day.

3rd offense is referred to the principal, parent contact and dismissal from the bus for three (3) days.

4th offense is referred to the principal, parent contact, and dismissal from the bus for ten (10) days.

5th offense is recommended to the Board for removal from the bus for remainder of the school term.

(Note: Offenses are cumulative between categories.)

Any situation not covered by the guidelines will be left to the building principal's discretion. The building principal will make the final decision on discipline.

Bus drivers will only stop at the regular bus stops. Students must have written parental permission approved by the principal for any variation in the assigned bus stop. However, students other than those assigned, may not be permitted to ride the second Heritage Lake run (from the Intermediate School), as that bus is at maximum capacity.

Inclement Weather

There are occasions when, due to inclement weather, the school day is cancelled, shortened, or lengthened. Our priority will always be the safety of the students. Parents are encouraged to make prior arrangements for child care in the event of emergency changes in the school day. Parents will be contacted via School Reach and the Dee-Mack Website "Alert" in regards to the cancellation of school and/or bus routes, and changes in the school day.

Early Dismissal

District #701 will have early dismissal on pre-planned days as marked on the school calendar. The early dismissals are for staff development activities. Buses will run at the time of the early dismissal at 11:30 a.m. No students will be allowed on school property after bus routes have left. Teachers are in meetings, and there will be no supervision after the buses have left. No lunches are served on SIP days.

Late Starts

Often times, early morning weather can become an issue. While some weather situations warrant the full closure of school, other situations may allow for a late start to the school day. These decisions are never easy to make. Please make sure to check the news, the school website, or your phones each morning for updates.

In the event of a late start, the announcement would come in the same form as a school cancellation (news, website, text message, etc.). If the announcement calls for a one hour late start, school would begin at 9:00 am. All buses would run exactly one hour after they normally would. So for example, if your normal pick-up time is 6:47 am, your

bus would come at 7:47 am. For Pre-K students there will be no morning Pre-K class. The afternoon Pre-K class will still run as normal. Bus pick-ups for out of district schools will run one hour late as well.

Even with a late start, school dismissal will still occur at the normal time with buses running on the normal schedule.

Attendance

Attendance and Academic Success

At Deer Creek-Mackinaw CUSD 701, we believe attendance is crucial to student achievement and success. A missed school day is a lost opportunity for students to learn. Research shows that students are more successful when in attendance and that every day of attendance matters for every student and their families. If absences become a pattern, the negative impacts quickly add up and those days of lost learning can lead to years of academic struggles, as well as challenges beyond the classroom.

Per the State of Illinois there are 8 **Valid Causes** for a student being absent from school.

- 1. Student Illness**
- 2. Observance of a religious holiday**
- 3. Death in the immediate family**
- 4. Family emergency**
- 5. Other situations determined by the school board**
- 6. Other circumstances which cause reasonable concern to the parent for the safety or health of the student.**
- 7. Deployment or leave of military parent (up to 5 days)**
- 8. To sound TAPS (grades 6-12)**

Recording absences: When a student is absent for part of or an entire class, there will be three options for administrative recording purposes.

- **T** will stand for tardy and will be given to any student deemed to be late for the class.
- **A** will stand for absent and will be given to any student that misses an entire class or day for one of the valid causes listed above.
- **X** will stand for unexcused and will be given to any student that misses an entire class or day without valid cause

Chronic Absenteeism: Students who miss a defined number of school days, 18 days for grades K-8 and 15 days for grades 9th-12th, for any reason, are considered chronically absent. Chronic absence is measured differently from other attendance, in that it counts **all** lost instructional days out of a school year, **whether or not it is for a valid cause**. An absence due to one of the valid causes will be considered excused, but will still count towards considering a student chronically absent. Per the State of Illinois, schools are required to collect and review chronic absence data and engage students and families showing a trend of regular absence. In order to engage parents and students in this discussion, multiple interventions will take place. Written communication of absences will occur at 8 absences, 10 absences, 12 absences, and 15 absences. During this process, a conference to determine a way to increase attendance may be scheduled with the parents, students, and administration.

Truancy and Chronic Truancy: A student is considered truant if they are absent from school without valid cause (listed above) for more than 1% but less than 5% of the prior 180 school days (2 - 9 days). After 5% or 10 days a student will be labeled as chronically truant. Days missed without valid cause will count towards a student's chronic absenteeism total, but will also result in referral to the Tazewell County Truancy Officer.

Consequences for Absences: In addition to these interventions for chronic absenteeism and referrals for truancy, students will certainly suffer natural consequences for multiple absences. As stated before, research shows that

students are more successful when they attend every day. A student is allowed to make up work when the absence is for valid cause, but lost instruction time and work time may not be possible. In addition to interventions and natural consequences, each individual school within Deer Creek Mackinaw District #701 may implement various programs designed to either reward good attendance or discourage chronic absenteeism. These may include, but not be limited to, such things as reduction in the number of final exams taken, denied attendance to dances or other social functions, denied attendance to field trips/field days, or removal from the Fast Friday List.

All students are expected to be in the building from 8:00 a.m. until 3:00 p.m. each day. Students who must leave the building are required to be **signed out** in the office before leaving. **Students must have a note, a call to school or an email to be allowed to leave with anyone other than their parent.** If a change in transportation is needed please call the school **before 2:30**. We use a transportation document to track changes so it is imperative that changes are made by 2:30. Dismissal is a very busy time and it becomes difficult to deliver messages.

The law requires phone contact or an email in the event of an absence. The parent or guardian must call Deer Creek-Mackinaw Intermediate School (447-6226) or the attendance lines (359-3049) for Mackinaw/447-6297 for Deer Creek) **before 9:00 a.m.** on the day of the absence to report the reason for the absence. Please call or email the office, rather than the teacher. If a telephone call or email is not received, the school office will contact parents to check on the absence. A written note that is signed by the parent or guardian, stating the reason for the absence or tardy, is required in the event that phone contact is not possible

Pre-Arranged Absences

Deer Creek-Mackinaw CUSD #701 Schools recognize that on occasion students may miss school for extenuating circumstances, other than illness or a death in the immediate family. Pre-arranged absences will be granted under the following guidelines:

1. The **REQUEST FOR PRE-ARRANGED ABSENCE** form is completed and returned to the office at least 48 hours prior to the absence.
2. A limit of a five (5) day total for the school year. Previously assigned work that is due on the day of the absence is due to the teacher on or before the day of the absence.
3. All work sent with the student is due on the day of the return of the student.
4. Tests covering assignments completed during the period of absence must be taken on the first day the student returns.

Pre-arranged absences are other absences approved by the principal. Examples include vacations, field trips, or school sponsored activities.

Tardiness

The first 15 minutes of the day are very important; assignments are turned in, attendance and lunch count are taken, and interventions for reading and math take place for many students. When a student arrives late, he/she must sign in at the office before going to class. It is an interruption to the morning routine and disrupts the classroom's morning schedule. Please make **every** effort to see that your child is on time each and every morning. **Students will be counted tardy if they arrive after 8:15 a.m.** Dee-Mack Schools work closely with the Tazewell County Truancy Office to help students become more responsible for getting to school and reinforcing the importance of school. If you are having trouble getting your child to school on time please notify the school.

Acceleration

The Accelerated Placement Act refers to placement of a student in an academically appropriate instructional setting with appropriate level curriculum that may include, but is not limited to, a child entering kindergarten or first grade early, a child accelerating in a single subject, and a child accelerating through grades.

As dictated by Illinois School Code, children enrolling in kindergarten must be 5 years of age by September 1 of the year they are entering kindergarten. However, students who turn 5 after the state deadline of September 1st of the kindergarten year, may be considered for accelerated placement in kindergarten. To accommodate these children, the District has outlined specific eligibility guidelines and procedures to consider requests for early enrollment into kindergarten.

If you believe that your child may be a good candidate for early entrance or acceleration, please contact the office at 309-359-4321 for more information. Information can also be found on the District website.

Academic Expectations

The purpose of the schools of Deer Creek-Mackinaw District #701 is to assure that students achieve at their maximum potential. In order to assure that this standard is met, the faculty, staff, administration, and the Board of Education have established expectations for behavior and academics.

Students are expected to arrive at class prepared to learn with all the necessary materials. All students are expected to complete their assignments on time and to the satisfaction of the teacher. Students are expected to write their name on each assignment. Any incomplete, late, or unacceptable assignments could result in the student receiving a failing grade on that assignment. To receive credit for the missing assignment(s) due to excused absences, the student is responsible for bringing in the work completed to the satisfaction of the teacher by the beginning of school on the following day. Students at Deer Creek-Mackinaw Intermediate School will be furnished an assignment notebook for the purpose of keeping track of assignments. We ask that parents monitor the assignment notebook on a daily basis, by checking to see that assignments are complete.

For those students who desire additional help, teachers will be available in the morning before school beginning at 7:45 a.m., and after school. Students should make prior arrangements with the teacher.

Homework Policy

It is the student's responsibility to contact teachers to make up all work missed. Students will be allowed one day for each day missed, plus an additional day to make up assignments (i.e. a student who is absent for two days has three days to complete make up work, a student who is absent three days has four days to complete make up work, etc). This timeline will not be altered even if the parent picks up the make-up work or work is sent home through another means during the period the student is absent. Students who take an excused, prearranged absence do not get additional time to complete homework, but should have the homework turned in before they are absent for the prearranged absence. Assignments must be completed regardless of the nature of the absences or tardy.

Grade Reports

Report cards are issued at the end of each quarterly grading period. Report cards will be e-mailed home after the end of the quarterly grading period. Questions concerning grades should be referred to the teacher by

calling the Dee-Mack Intermediate school office within one week of the report card being sent home.

MORNING AND EVENING PROCEDURES

Students should not arrive at school before 7:30 a.m. Primary supervision begins at 7:30 am. Students should report to the gym upon arrival. Intermediate students arriving to school after 8:15 a.m. will be counted tardy.

The school day ends at 3:00 p.m. A staggered dismissal will be used at the end of the day where students who are walking or getting picked up will exit from one of the two front doors only. Buses will load at the back of the school on the blacktop area.

Behavioral Expectations

All teachers at Deer Creek-Mackinaw Intermediate School have individual classroom expectations that are clearly communicated. These expectations are accompanied by consequences upon violation. If redirection from the staff does not successfully modify the behavior, the student will be referred to the building principal.

In order to maintain safety, order, & discipline, the standards for appropriate behavior at Deer Creek-Mackinaw Intermediate School, will include several types of disciplinary actions. No corporal punishment will be administered at Deer Creek-Mackinaw Intermediate School. When necessary, parents will be called upon to participate in developing a successful plan for modifying the behaviors of students. The text that follows is representative of the actions to be used. These actions are not meant to be all-inclusive and are not listed in any particular order.

- Positive reinforcement: Students will be encouraged to maintain behavioral expectations through the use of positive reinforcement, such as praise, awards, and tangible reinforcement.
- Natural and logical consequences: At times, students will be exposed to the natural and logical consequences for their behavioral choices. For example, students who do not study for a test may fail (natural consequence). Students who fail may have to spend time after school for extra study time (logical consequence).
- Isolation/exclusion: Various forms of isolation from peers (detention/ISD/SMD/OSS) and exclusion from activities (loss of privileges), or classes (including permanent removal from academic classes) will be used in accordance with the nature of the behavioral standard that has been abused. There will be no use of any isolated time out that restricts the student's exit from the isolated situation.
- Detentions: Students who fail to maintain behavioral standards may be assigned staff-supervised detentions before or after school. The length of time to be served varies in accordance with the nature of the behavioral standard that has been abused. Students will not be excused from detentions for work or extracurricular activities. Parents will be notified by phone, e-mail, or in writing. It is the responsibility of the parents to provide transportation for their child who is being detained. District #701 WILL NOT provide transportation for students in detention. Students who are unwilling or unable to serve detention time will be assigned an ISD/SMD. After a student's fifth assignment of detention for disciplinary reasons, or if a student misses a detention two or more times, ISD/SMD will be assigned thereafter in lieu of detentions.
- ISD/SMD: In School Detention or Saturday School Detention
- Out of School Suspension (OSS)
- Expulsion: In cases of severe violations of expected behavior standards, a hearing before the Board of Education could be held for the purpose of expulsion. Offenses which could result in expulsion are:
 1. The fifth Out of School Suspension

2. Physical/verbal aggression against staff or students.
3. Major acts of vandalism (costing more than one hundred dollars)
4. Immoral or indecent acts
5. Gang-related activity, including but not limited to talking, clothing, writing/graffiti, etc.
6. Possession of a weapon or a object used as a weapon
7. Sexual Harassment
8. Use of racial or ethnic slurs in any form and/or involvement in any event which can be construed as racial/ethnic motivated
9. Using, possessing, distributing, or being under the influence of behavior altering substances. Behavior altering substances include, but are not limited to alcohol, illegal drugs, controlled substances, "Look-a-like" drugs (those substances intended to appear to be contraband), drug paraphernalia, or substances as described in the Intoxicating Compounds Act (i.e. inhalants)

Behavior and Discipline

Each student is entitled to an orderly learning environment. Classroom disruption will not be tolerated. Students removed from class must make up any time missed. **At Deer Creek-Mackinaw Intermediate School students are expected to act in an orderly and safe manner.** The following are school wide discipline rules:

1. Follow directions the first time they are given.
2. Keep hands, feet and objects to self.
3. Come to class prepared with all your materials.
4. Be in your assigned seat ready when the bell rings.
5. Eat at lunch, not in class.
6. Classes are dismissed by the teacher. Remain in your seat until dismissal.
7. Respect the rights, property and opinions of others.

Students who believe they are victims of bullying, intimidation or harassment, or have witnessed such activities are encouraged to discuss the matter with a staff member or administrator promptly.

Substance Abuse Policy

Using, possessing, or being under the influence of behavior-altering substances will not be tolerated. Behavior-altering substances include, but are not limited to, E-Cigs, Vape Pens with THC, alcohol, illegal drugs, controlled substances, look-alike drugs, chemically designed substances that mimic behavior-altering substances, drug paraphernalia, and substances described in the Intoxicating Compounds Act (i.e., inhalants).

Use of tobacco or nicotine products including E-Cig, Vape Pens without THC on school property will result in the confiscation of the materials and severe school discipline (suspension). Parents will be notified immediately. The Villages of Mackinaw and Deer-Creek have an ordinance concerning the use of tobacco by minors.

Drugs, as defined in this policy, are any chemical that modifies the function of living tissues, resulting in physiologic and behavior change or any item that is being passed off as a drug or look-alike drug. Specifically, alcohol, hashish, marijuana, hallucinogens, stimulants, depressants, and opiates are drugs.

- **Selling:** Students who are encouraging, giving, or selling drugs, look-alike drugs, dangerous chemicals, or marijuana to a student in school, on the school bus, or on the school grounds will be suspended. The parents and police will be immediately notified, and the student will be referred for treatment/counseling, and will also result in an appearance before the Board of Education for an expulsion hearing.

- **Possession:** Having drugs or look-alike drugs on your person or on school grounds is considered possession. The first offense will result in an Out of School Suspension, and recommendation for expulsion. The parents and police will be immediately notified and the student will be referred for treatment/counseling. For the purpose of these rules, the term “possession” includes having control, custody, or care, currently or in the past, of an object or substance, including situations in which the item is: (a) on the student’s person; (b) contained in another item belonging to, or under the control of, the student, such as in the student’s clothing, backpack, or automobile; (c) in a school’s student locker, desk, or other school property; (d) at any location on school property or at a school sponsored event; or (e) in the case of drugs and alcohol, substances ingested by the person.
- **Paraphernalia:** Paraphernalia is defined as objects associated with the use of drugs and includes devices that are or can be used to: (a) ingest, inhale, or inject cannabis or controlled substances into the body; and (b) grow, process, store, or conceal cannabis or controlled substances. Suspected paraphernalia will be confiscated. The first offense will result in an Out of School Suspension, and recommendation for expulsion. The parents and police will be immediately notified and the student will be referred for treatment/counseling. Note: Paraphernalia with residue present will fall under the policy regarding possession and the police will be notified.

SUBSTANCE ABUSE POLICY - At the Board of Education’s discretion, the consequences for violating the Substance Abuse Policy may include a parent/student contract requiring substance abuse treatment with provisions for monitoring behavior, attendance and academic performance as strict conditions for continued enrollment in lieu of expulsion. Should the terms of such a contract be violated, then the terms of the expulsion would be in full force.

Weapons at School

By Illinois law, any student who is determined to have brought a weapon, or an object used as a weapon, to school or any school sponsored activity or event, or any activity or event that bears a reasonable relationship to school is required to be expelled for a period of not less than one year. The school is also required to refer the student to the criminal justice delinquency system.

Expectations for Attire

The dress and grooming of students must not disrupt the educational process, interfere with the maintenance of a positive teaching/learning climate, or compromise reasonable standards of health, safety, and decency.

Personal cleanliness, neatness, and good grooming are conducive to the learning atmosphere, and, therefore, are expected at all times.

Shirts shall be worn at all times. Tank tops (2” straps only), midriff tops, halter tops, low-cut tops, or tops which show stomachs may not be worn.

Outwear such as winter coats, or similar items will not be worn in the classroom.

Any clothing that alludes to or displays materials of a sexual nature is considered a violation of the School District’s sexual harassment policy and, therefore, is prohibited.

Any clothing or jewelry or other items that alludes to or displays material that promotes alcohol, drugs, and tobacco is considered a violation of the School District’s drug free policy is prohibited. Clothing advertising taverns, bars, cigarettes, cigars, or chewing tobacco will not be allowed.

Any clothing that alludes to or displays material that promotes violence or inappropriate language is considered a violation of the School District's anti-violence policy and, therefore, is prohibited.

Any clothing that alludes to or displays material that promotes gang activity, including the wearing of hats in school, is considered a violation of the School District's anti-gang policy and, therefore, is prohibited.

Short shorts, tight cutoffs, running shorts, or jeans with excessive holes or patches are not permitted. Shorts or skirts hems should be within fingertip length when arms are extended at sides.

Students must wear clothing of sufficient length and fit so that articles of undergarments are not visible at any time.

Appropriate shoes must be worn at all times. No footwear shall be worn that is damaging to the floors or dangerous to student safety.

Any jewelry or clothing accessories considered by the faculty and staff of Deer Creek-Intermediate School to be dangerous or distracting to the learning process will not be tolerated.

This Dress Code is a minimum of standard for all students in Deer Creek-Mackinaw Community Unit School District #701. Extracurricular organizations may require more stringent standards. Any teacher or staff member may judge clothing to be inappropriate.

Attire that is immodest or indiscrete will not be permitted. Attire that displays innuendos, inappropriate suggestive messages and/or double meanings is prohibited.

Lockers

All students are assigned lockers for storage of books and personal belongings. It is the student's responsibility to ensure that the locker is properly locked and remains in proper working order.

Two of the biggest reasons for theft are sharing a locker and leaving a locker unlocked. The school is not responsible for items, money etc., stolen from lockers.

Lockers are school property and may be inspected at any time school officials feel it is necessary to do so.

Students should not share or exchange lockers without authorization from the office and they are responsible for the contents within their lockers.

PHYSICAL EDUCATION

In accordance with the Illinois School Code, all students are required to take physical education unless they have a **written** excuse from class. A doctor's excuse will be required for any absence from P.E. class exceeding one day. Doctor's excuses should specify the limitations and duration of the limitations. Students excused from physical education may not be allowed to participate in recess or athletics. This will be handled on a case by case basis depending on the student's injury. Students will not be required to wear a P.E.-type uniform, but should have appropriate shoes. Grades will be determined by assessing the student's progress in the areas of skills, fitness, attitude/participation, and written work.

Music

All students are required to take general music, and 6th grade students may elect to be in band and/or choir (4-6 choir). Band instruction, in sixth grade, includes small group and individual instruction. Individual lessons are offered during the school day, but may interrupt academic classes due to scheduling conflicts. Band students will be responsible for class assignments that they may miss due to lesson conflicts. Participation in band is an elective, however, students may "drop" or "add" during the band sign-up period in September or the first week of second semester. Students will be unable to "drop" or "add" band and chorus after the first week of the semester. Band and Choir students will be evaluated using the district grading scale, and be assigned a letter grade each grading period.

Our band, general music and chorus groups may participate in such activities as local and state contests, music festivals, P.T.O. programs, and winter and spring concerts. Students are expected to perform in these events if they sign up for participation in either band or chorus. **An unexcused absence from required performances could result in grade reduction.**

Band instruments are available for rental through the district and/or a private vendor. Parents or students should contact the music teacher for availability and type of district instruments for rent. District instruments are available for rental at a fee of approximately \$35.00 per year for percussion and \$70 per year for wind and brass instruments. Students in band or chorus will also be assessed a \$20 activity fee.

Assemblies

Educational assemblies will be scheduled as part of the curriculum at Dee-Mack Intermediate School. Parents will be notified of assembly programs via the school.

FIELD TRIPS

Our PTO has made it possible for students at Dee-Mack Intermediate School to experience learning outside of the traditional classroom setting. These field trips are scheduled throughout the school year. Student participation may be subject to eligibility standards. Parents will be notified of field trips contained within the school day via school newsletters, school website and/or e-mail. Consent forms will be sent home for trips scheduled **outside** of the school day. Although students are expected to attend these trips as they are related to classroom learning and scheduled as an extension of the classroom, parents may have their child opt out of any field trip by contacting the school principal. Students absent from the field trip may be assigned an independent study project or assignment to complete in place of the off campus learning experience.

When possible, we will ask parents to assist in supervision on field trips. We ask that parent volunteers not bring other family members on the trip. Students whose parents assist in supervision will be required to ride district transportation to the activity. Parents who provide their own transportation may be allowed to sign out their young person at the end of the day, instead of having their young person ride district transportation.

Retention Policy

A child may be retained by the teacher if he/she does not make sufficient academic progress throughout the school year. Parents will be notified by the end of the third quarter of the school year to discuss academic issues. A child may also be retained if he or she has been absent 10% (18 days) of the school year, thereby missing a significant amount of instructional time. This loss of instructional time negatively impacts success in building foundational skills.

COMPUTER LAB

Students do have access to a computer lab at Dee-Mack Intermediate School. Students will be expected to care for hardware and software as they would any other item belonging to the school. Our lab does provide access to the Internet. Students and parents will be asked to sign an Internet Use Agreement and be expected to adhere to the guidelines set forth by the Board of Education regarding access on the Internet.

Communication/Electronic Devices

During the school day, students may not have in their possession or use electronic devices except under the specific, detailed exceptions outlined in this section. Prohibited electronic devices include, but are not limited to headphones, CD players, cell phones, pagers, i-pods, mp3 players, and video games. The use of any device to video, audio record on school property is prohibited unless prior approval from a staff member has been granted. Students who are caught with any prohibited electronic and/or communication devices on their possession during the school day will have them confiscated, and may face additional discipline. Students who bring any of these devices to school must store them in their locker once they get to school, and may only remove them after students are dismissed at the end of the school day. The school district is not responsible for electronic devices that are stolen, lost, misplaced, or damaged in any way. Students should bring these devices at their own risk. Students who are in possession or use electronic devices during the school day will have the devices confiscated. Instead of giving the electronic devices back to the children, parents will be required to pick them up. The only exception to this policy is that Kindles, Nooks, or other similar electronic devices may be used under the following conditions: 1) a staff member has preapproved the particular use and time that the electronic device is being used. 2) The use is for a specific school purpose (i.e. to read an AR book, use a calculator, dictionary, and thesaurus). Students who are caught abusing this right will have their privileges suspended and may face additional consequences.

LIBRARY GUIDELINES

Dee-Mack Intermediate School maintains a library for student use. We expect students to care for library materials as they would any other item belonging to the school. Library materials should be returned to the "check in" desk. Some materials are meant to be used for reference only and should remain in the library. Please report any abuses to the librarian or your teacher. Lost or damaged books will be the responsibility of the person checking them out. Students will be charged current replacement costs for the books. No student will be permitted in the library without a teacher or librarian present.

Safe and Orderly Climate on the Playground:

No games should be played that involve pushing or pulling clothes. Only one person at a time may use a swing. Pushing a swing, standing on a swing, or swinging from one side to another is not permitted.

Standing or sitting on top of playground equipment is allowed only on the jungle-gym. Climbing up the braces of the swings is not allowed. Students are to wait in line when using horizontal bars or climbing ladders. Throwing playground balls or basketballs at others is prohibited. Throwing snowballs or rocks is not permitted. "Crack-the-whip" and "King of the Hill" types of games should not be played. All accidents should be reported to the supervisor.

PHYSICAL RESTRAINT:

This refers to holding a student or otherwise restricting his or her movements and includes only specific, planned techniques for which staff has been trained. A physical restraint will only be used when a student poses a physical risk to himself, herself, or others, and there is no medical contraindication to its use.

PARENT – TEACHER CONFERENCES

Conferences with teachers allows for a better understanding of your young person for both the parent and the teacher. Conferences are held formally at least once each school year, but we encourage parents and teachers to meet as necessary to discuss your young person's progress. You may contact the school to arrange a conference via phone or email at anytime throughout the school year. (see appendix for STAFF DIRECTORY).

PARENT/TEACHER ORGANIZATION (PTO)

Our PTO is a very active organization that has helped our school and community in numerous ways. We urge everyone to be an active member. General meetings are typically held once a month. The annual Pancake and Sausage Supper is held the second Saturday in November.

A PTO Board comprised of President, Vice President, Secretary, Treasurer, and members-at-large meet each month to make recommendations to the voting members. The public is welcome to attend. All PTO events will be announced through the school newsletter, website and/or e-mail.

LOST AND FOUND

All items found and turned into the office will be announced during morning and afternoon announcements. Items lost such as jewelry, glasses, etc., will be kept in the office. Other items will be displayed in the hallway in the lunchroom. At the end of the school term, unclaimed items will be donated to local charities on behalf of the students of Dee-Mack Intermediate School. **We urge parents to clearly label all personal belongings, so that the rightful owner may be located.**

FUNDRAISERS

Dee-Mack Intermediate School students participate in fundraisers throughout the year.

The **P.T.O. Pancake and Sausage Supper** is held annually on the second Saturday in November. This P.T.O. sponsored fundraiser benefits all students, with all proceeds returning to the Intermediate School. Budgets are presented and approved by voting members near the end of the school year. Past budgets have included funding for learning materials, innovative teaching grants, field trips, assembly programs, media center supplies, and much more. The supper is an enormous undertaking and volunteerism is essential for the success of this event.

Our Fine Arts Department helps coordinate a **Wreath Sale** annually during the months of October through December.

Enjoy the City coupon books are sold with proceeds going to school activities. This fundraiser typically occurs in March.

Although we are constantly asked to run fund raisers, our goal is to offer our communities a "win-win" situation with quality, service type products on a limited basis, while the students benefit from the event. We do not want the communities to feel an obligation to purchase products or goods that they really do not need. Fund raising from outside sources will not be permitted at school.

Students are not allowed to conduct private fundraisers or sales without prior approval from the principal.

PARTIES

Birthday treats are permissible. **The Tazewell County Health Department recommends store purchased treats rather than homemade to avoid the spread of infectious disease.**

ILLNESS POLICY

- If a child is sick enough to stay home or goes home ill during the day, *please keep your child home the entire day.* When a child's immune system is already weakened, sending the child back to school where there are
- many people and germs may cause them to be ill much longer or come down with other illnesses.
- A child with diarrhea should be kept home.
- A child with a heavy cold and hacking cough belongs at home, even if there is no temperature.
- **A fever is a warning that all is not right with the body. Keep your child home if a fever is present and do not allow the child to return to school until the fever has been gone for 24 hours without medication like Tylenol. Medications can mask fevers and other symptoms. If your child goes home during the day with a fever, they should remain home the following day.**
- If your child is vomiting, do not send the child to school until food can be kept down. **If your child goes home during the day with vomiting, they should remain home the following day.**
- If your child has a sore throat, fever, and white spots can be seen in the back of the throat, call the doctor and keep the child home.
- Be sure the school secretary has current phone numbers to reach you immediately, should your child become ill while at school.
- **If your student has allergies to latex, food, medication, dairy or nuts the school must have a note from the doctor listing what allergies the student has as well as the allergy action plan.**

Please help us provide a healthy environment in our school building by keeping your child home when he/she is ill.

HEAD LICE POLICY

The school, in following the guidelines of the Center for Disease Control, will send a student home if live lice are present. They may return to school after treatment indicates that no live bugs are present. A student with only nits present will not be sent home, but the parents will be notified that their student needs treatment. The school office can answer any questions regarding this policy.

MEDICATION POLICY

Students should not take medication during school hours or during school-related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent(s)/guardian(s) believe that it is necessary for the student to take a medication during school hours, they must request that the school dispense the medication to their child/ward and otherwise follow the District's procedures on dispensing medication. **Due to new laws: If your child requires Tylenol, Benadryl, Advil, or Aleve on a regular basis the medication must be sent to the school in the original container clearly labeled with the student's name and dosage required. A phone call is required each time this medication is dispensed.**

No school district employee shall administer to any student, or supervise self-administration or, any prescription or non-prescription medication until a completed and signed "School Medication Authorization Form" is submitted by the student's parent(s)/guardian(s). No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures. A student may possess medication prescribed for asthma or diabetes for immediate use at the student's discretion, provided the student's parent(s)/guardian(s) have completed and signed a "School Medication Authorization Form". The sharing of medication is strictly prohibited.

The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or the medication's storage by school personnel. Parent(s)/guardian(s) must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and wanton conduct, arising out of a student's self-administration of medication or storage of the medication by school personnel.

Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

EXTRACURRICULAR ACTIVITIES

Any student participating in extracurricular activities shall be subject to the extracurricular code while enrolled in Deer Creek-Mackinaw District #701 schools and all participants must register through 8 to 18.

Prior to participation in interscholastic athletics, all students are required to have a physical examination completed within the year of participation and have a birth certificate on file in the school office. In accordance with IESA regulations, students must be passing appropriate subjects to participate. A parent meeting will be held to review student expectations for participation.

SPORTSMANSHIP

Schools exist for educational purposes, and interscholastic activities should be administered based on educational values. At Deer Creek-Mackinaw Intermediate School, we believe interscholastic activities are part of the school's total curriculum. Interscholastic activities help establish standards of behavior that represent the best in good citizenship. Interscholastic activities should stress winning, but they also stress such virtues as courtesy, truthfulness, fair play, honesty, modesty, self-discipline, courage, and loyalty.

Our aim, as a school, is to develop highly competitive interscholastic activities and promote fine school morale. **Parents should be role models when attending these events.** The crowd should show their support

to the team/group whether they win or lose. Verbal comments will not be tolerated to coaches/sponsors, referees, and participants. No fan should ever verbally assault others or be obnoxious. Crowd members should respect the decision made by the officials. **Remember: Be a Sport, Be a Fan, Not a Fanatic.**

ATTENDANCE AT GAMES

School rules apply to all extracurricular activities. Refreshments will be available at most home athletic events. Students will be expected to stay on school grounds during these events.

TRANSPORTATION

All participants must ride the team bus to and from away games. Students may only leave the game with their parents after the game if prior approval from the Principal and Athletic Director has been given. No student may leave with another student or another student's parents. Participants not leaving with their parents must ride the team bus back to the school.

UNIFORMS

Uniforms will be given out if the activity requires them. Uniforms are the property of School District #701. The upkeep and cleaning of the uniform will be the responsibility of the student. Any abuse or damage will be at the student's expense. For certain activities, special wearing apparel (shoes, etc.) is required. These items are paid for by the student. Until the season ends, wearing of these articles is restricted to only the activity.

Note: (Please refer to the activity handbook for specific information relating to athletics.)

Participation in all extracurricular activities requires adherence to the prescribed codes covering athletic and non-athletic activities. The athletic code is printed in the activity handbook and requires athlete and parent signatures.

Any student participating in extracurricular activities shall be subject to the policy governing these activities while enrolled in District #701 school.

Weekly Eligibility

Any student failing to meet the academic criterion shall be suspended for participation for **the following Monday through Saturday activities**. His/her coach will notify the student; and the parents will be notified by letter concerning the conditions of the suspension.

Violations of Extracurricular Code

All violations involving alcohol, tobacco/nicotine, drugs, and the Illinois Criminal Code shall result in a suspension from all activities. See the Activity Code for details. Students who violate the extracurricular policy of behavior will not be eligible to serve in a position of leadership for the remainder of the school year.

Tazewell County Regional Safe School Program

This alternative school is available for students in grades 6-12 who are being considered for expulsion. The building principal will make this recommendation, after parents have been notified. The purpose of the program is to allow students who have been deemed disruptive or dangerous to continue their education,

after being expelled from school. District #701 provides the transportation to and from the program. There is no cost to the parents while attending this school.

Continuum of Educational Services

EDUCATION OF CHILDREN WITH DISABILITIES

Deer Creek-Mackinaw Dist. 701 shall provide a free appropriate public education in the least restrictive environment and necessary related services to all children with disabilities enrolled in the District, as required by the Individual with disabilities Education Act ("IDEA") and implementing provisions of *The School Code*, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. The term "children with disabilities", as used in this policy means children between the ages 3 and 21 for whom it is determined, through definitions and procedures described in the *Illinois Rules and Regulations to Govern the Organization and Administration of Special Education*, that special education services are needed.

It is the intent of our School District to ensure that students who are disabled within the definition of Section 504 of the Rehabilitation Act of 1973 are identified, evaluated and provided with appropriate educational services. Students may be disabled within the meaning of Section 504 of the Rehabilitation Act even though they do not require services pursuant to the IDEA. For students eligible for services under IDEA, our School District shall follow procedures for identification, evaluation, placement, and delivery of services to children with disabilities provided by the Illinois State Board of Education. For those students who are not eligible for services under IDEA, but because of disability as defined by Section 504, need or are believed to delivery of

services to children with disabilities provided by the Illinois State Board of Education. For those students who are not eligible for services under IDEA, but because of disability as defined by Section 504, need or are believed to need special instruction or related services, we shall establish and implement a system of procedural safeguards. The safeguards shall cover students' identification, evaluation, and educational placement. This system shall include notice, an opportunity for the student's parents/guardians to examine relevant records, an impartial hearing with opportunity for participation by the student's parents/guardians, and representation by counsel, and a review procedure.

Our School District may maintain membership in one or more cooperative associations of school districts that shall assist in fulfilling its obligation to our disabled students. If necessary, students may also be placed in nonpublic special education programs or education facilities.

ACCOMMODATING INDIVIDUAL WITH DISABILITIES

Individual with disabilities shall be provided an opportunity to participate in all school-sponsored services, programs, or activities on an equal basis to those without disabilities and will not be subject to illegal discrimination. Where necessary, Deer Creek-Mackinaw Dist. 701 may provide to persons with disabilities separate or different aids, benefits, or services from, but as effective as, those provided to others.

MISCONDUCT BY STUDENTS WITH DISABILITIES

Behavioral Interventions: In compliance with laws, behavioral interventions shall be used with students with disabilities to promote and strengthen desirable behaviors and reduce identified inappropriate behaviors. We will establish and maintain a committee to develop, implement, and monitor the use of behavioral interventions for students with disabilities. These procedures shall be furnished to the parents/guardians of all students with individual education plans (IEP) within 15 days after their adoption or at the time an IEP is first implemented for a student. All involved shall be informed annually of the existence of this IEP and its progress.

Suspension and Expulsion: The following procedure shall be used when a student with a disability is alleged to have engaged in misconduct:

1. Suspension for a cumulative period not to exceed 10 school days in any school year.
2. Suspension Beyond 10 Days, or Expulsion- we shall promptly notify the student's parents/guardians of the disobedience or misconduct. All procedures contained in Dist. 701's discipline policy shall be followed. This information shall be confirmed in writing, parents/guardians shall be advised as follows:
 - a.) The multidisciplinary conference (MDC) team shall meet as soon as possible, but at least 10 days after this notice was sent, unless such 10-day notice is waived by the parents/guardians, to determine whether a causal relationship exists between the student's disabling condition and the student's alleged misconduct.
 - b.) The student's parents/guardians must attend the multidisciplinary team meeting on the date, time and location as specified for the meeting.

Chronic or habitual truant- this is a student who is subject to compulsory school attendance and who is absent without valid cause from school for 10 percent or more of the previous 180 regular attendance days. If the MDC team determines the cause of the student's absences is not related to the student's disabling condition, the student may be disciplined under District 701's discipline policy up to and including expulsion. If the Board of Education imposes expulsion or disciplinary measures altering the student's special education plan, an IEP meeting shall be convened to determine appropriate alternative means of service delivery.

The Board of Education may not expel, if the MDC team determines that the student's gross misconduct or truancy is related to the student's disability. The MDC team is responsible to address placement changes which may be appropriate in light of misconduct found to be disability-related.

Parents/guardians may object to a proposed change in their student's educational placement. If the school district believes that maintaining your student in their current placement is substantially likely to result in injury to your child or others, the school may request an expedited due process hearing to change your child's placement. This may result in an interim alternative educational setting. The hearing officer may order the placement even if your child's behavior is a manifestation of his or her disability.

RESPONSE TO INTERVENTION (RTI)

INTRODUCTION

Changes in federal and state laws have directed schools to focus more on helping all children learn by addressing problems earlier within the general education setting. These new laws emphasize the importance of providing high quality, scientifically-based instruction and interventions, and hold schools accountable for the adequate yearly progress of all students. This new process of providing interventions to students who are at risk for academic or behavioral problems is called Rtl (Response to Intervention).

WHAT IS RTI?

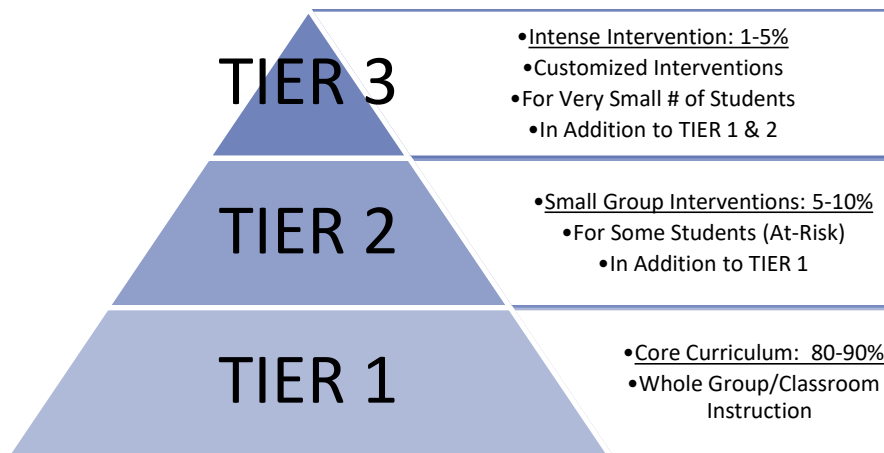

Rtl is a process designed to help schools focus on high quality interventions that are matched to student needs and monitored on a frequent basis. The information gained from an Rtl process is used by school personnel and parents to adapt instruction and to make decisions regarding the student's educational program.

WHAT ARE THE BENEFITS?

Perhaps the greatest benefit of an Rtl approach is that it eliminates a "wait to fail" situation because students get help promptly within the general education setting. As soon as assessment data indicates a problem area for a student or a group of students, interventions are put into place to address these concerns. While the interventions are taking place, school staff monitors any progress that these students are making in their problem areas. These progress monitoring techniques used within the Rtl process provide information that allows teachers to better evaluate student needs and match instruction, resources and interventions appropriately.

WHAT IS THE RTI PROCESS?

Most Rtl systems are divided into a three-tier intervention model to identify and provide early intervention to struggling students. Each tier provides additional support beyond the core curriculum. Tier 3 is a high intensity intervention, Tier 2 is a moderate intensity intervention, and Tier 1 is low intensity, monitored in the classroom. The tiered approach is illustrated in the following model:

WHAT IF MY CHILD IS REFERRED TO THE SCHOOL'S "PROBLEM-SOLVING TEAM"?

- Ask what interventions are being used for academic and/or behavioral problems.
- Ask what techniques are being used to monitor student progress and the effectiveness of the implemented interventions.
- Ask your school to provide you with regular progress monitoring reports.
- Praise your child for any progress or general improvement in the area(s) of concern.
- Implement or reinforce any strategies or interventions at home.
- When possible, make suggestions for strategies or interventions based on what you know works well at home.
- Always ask questions when things are not clear!

Goals For Attending Students

Students are the first concern of the Deer Creek-Mackinaw School District. All policies and actions of the Board of Education and of the faculty/staff should be directed toward promoting the educational welfare of students. The major task of the educational program is to facilitate the students to become self-sufficient. To this end, the Board of Education and the faculty/staff of Deer Creek-Intermediate School shall work together to establish an environment conducive to the maximum development of each student through commitment to the following goals:

1. Provide a learning program for the students which considers their various backgrounds, capabilities, learning styles, interests, and aspirations;
2. Protect and observe the legal rights of the students;
3. Enhance the self-image of each student by helping him/her to feel respected and worthy, and create a school environment which provides encouragement through frequent success;
4. Provide the opportunity for students to learn personal and civic responsibility for their actions through meaningful experiences as school citizens;
5. Provide for the handling of discipline matters with students in a just and constructive manner;
6. Provide for the safety, health, and welfare of students;

7. Provide the opportunity for the development of self-motivation and pride of accomplishments within each student.

GENERAL DISCIPLINE GUIDELINES & CONSEQUENCES

Certain misconduct such as the following list of offenses is unacceptable at any time during the school day, while a student is on school property or attending a school related function (home or away) in which Dee-Mack Intermediate School is a participant. These guidelines also apply to students who are passengers on school transportation vehicles. Obviously, no student handbook can contain every conceivable offense which may be committed. The administration reserves the right to determine appropriate disciplinary action for offenses which are not contained in the following list. Similarly, the administration reserves the right on a case-by-case basis to deviate from the specified disciplinary actions when such deviation is determined to be necessary for the proper and efficient operation of the school. With each offense discipline will progress as determined by the administration. **Any situation not covered by the guidelines will be left to the building principal's discretion. The building principal will make the final decision on discipline.**
